

Boarding Kit list

What should you bring with you to the boarding house and when should you drop off your belongings?

Below is a suggested 'Kit List' of items to bring when coming to stay. This will depend on the length of your stay and activity you will be doing. Common sense will be needed when packing but if you are unsure, ask a member of the house staff before your stay. Items should always be named where possible. On arrival at school, (ahead of your night's stay), a boarder's overnight bag should be placed on an available bed in the correct dorm.

It is suggested that you bring casual clothes suitable for the evening activity and think carefully about any extras you might need. For example, any sort of sporty activity will definitely require trainers or specific outdoor footwear, dependent on where the activity is taking place. Check the activity schedule in the 'Boarding' section of the weekly School Newsletter (published the Friday before), to check any information specific to that week's activities.

School uniform	Evening clothes	Sleepwear and hygiene
Shirt	T-shirt	Pyjamas
Trousers/Skirt	Casual trousers or suitable alternative	Dressing gown
Jumper	Casual jumper/top	Pair of slippers
Blazer	Waterproof jacket	Pillow/blanket (optional)
